The SCF was, once again, a proud sponsor of the Sydney Writers Festival.

This year we dedicated our support to the visit of renowned contemporary Middle Eastern writer, Hanan al-Shaykh. Hanan talked with Stephanie Dowrick about her immensely moving memoir, *The Locust And The Bird*.

Following this public event, the SCF hosted a private afternoon tea at which guests had the opportunity to meet Hanan al-Shaykh and to find out more about the SCF's Sydney Women's Fund. If you would like to hear Hanan al-Shaykh's interview with the ABC's *The Book Show* [click here](#). Chefs on the Run, Pinnacle Catering and Jean Pierre Maury donated the catering for the SCF's private event which was very much appreciated by all our guests.
